

MAY I PRESENT
Z-GORE, A GORILLA
CYBORG SUITABLE FOR
SEEK-AND-DESTROY
MISSIONS. FOR EXAMPLE,
YOU MAY SEND HIM TO
ELIMINATE YOUR
ARCH-NEMESIS.

YOU'RE
GIVING ME A
MONKEY?!

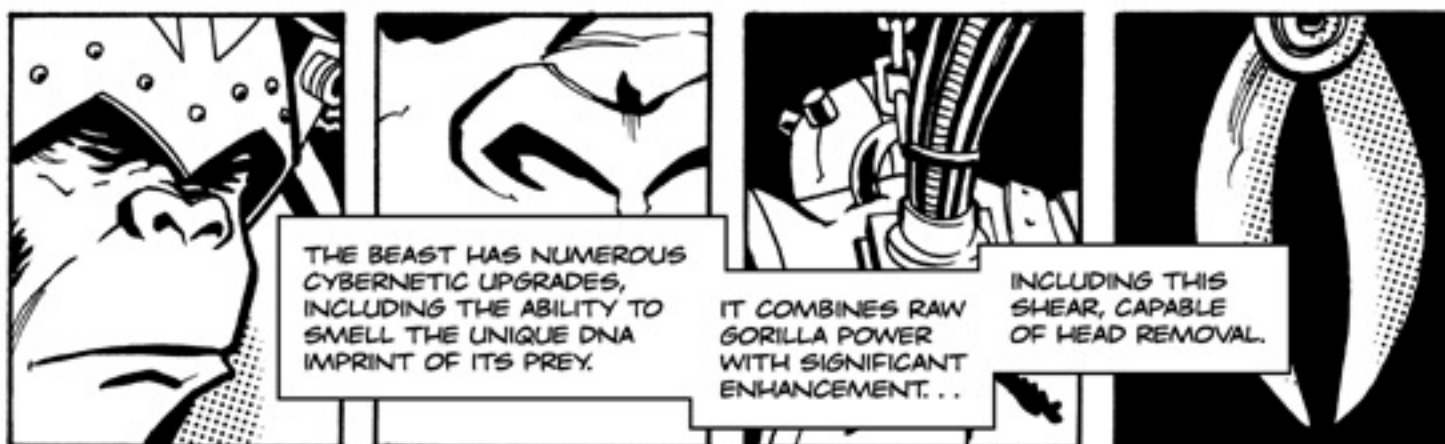

NOT A
MONKEY,
MILORD.

A KILLER
GORILLA
ASSASSIN.

WELL, I'M VERY
UNIMPRESSED.

BEFORE YOU DISMISS THE GIFT AND RETURN TO THE COUCH, PLEASE ALLOW ME TO SHARE SOME OF Z-GORE'S FEATURES WITH YOU.

THE BEAST HAS NUMEROUS CYBERNETIC UPGRADES, INCLUDING THE ABILITY TO SMELL THE UNIQUE DNA IMPRINT OF ITS PREY.

IT COMBINES RAW GORILLA POWER WITH SIGNIFICANT ENHANCEMENT...

INCLUDING THIS SHEAR, CAPABLE OF HEAD REMOVAL.

A SLEEPING MONKEY CARRYING OVERSIZED SCISSORS?! SUCH A SIMPLE TOY COULD NEVER ELIMINATE THE IRON OX.

MILORD, I WAS JUST ABOUT TO POWER IT UP. PLEASE SAVE YOUR JUDGEMENTS UNTIL AFTER YOU'VE SEEN WHAT Z-GORE CAN DO.

I'M INCREDIBLY BORED.

PREPARE TO BE DAZZLED.
